Looking at Victor's table now in conjunction with Brad's draft decree sent earlier this afternoon 11/19.

Thanks Victor – it looks like you put a lot of work into this table.

Thanks also in advance to Brad for getting this draft decree to us today 11/19/21. Am working on my response Brad's draft of the decree now...

Good Morning Everyone,

Attached is the spreadsheet of the Appendix B projects that Victor created. I know some folks have seen this, but I am including everyone so we have it in one place.

Best,  
Janna

Team,

My apologies for the delay in turning around the redline; I've had time sensitive issues arise in another matter. I will do my best to turn the redline around to you tomorrow. Although I will be on leave next week, I can send the document to Fred next week assuming there are not considerable revisions after the Team reviews.

If further revisions/coordination are needed (or everyone is on leave early in the week), we will aim to turn it around shortly after Thanksgiving. I appreciate everyone's efforts on this and really appreciated the call earlier this week to move this forward.

Thanks,  
Brad
